

SCREEN INK Color Selection—For imprinting on COTTON/JUTE, NON-WOVEN or POLYESTER bags

NOTE: The color samples below represent ink printed on white bags. Color tints/shades/tones may fluctuate up to 5% within a print run or reorder. Colors printed on a colored bag will result in a different tint, shade, or tone. Some screen ink colors are not recommended on some colored bags. Please contact us for options or further details. Swatches shown are for approximate color representation only. **PANTONE (PMS) color match is not available.** For additional colors—call for availability, production time, and cost.
